Imogen's patriotic hols!

Ms Thomas hits Mauritius for a saucy sojourn!

➔ **WHILE IMOGEN** hit Mauritius on her hols she did three things. One: wore this ace bikini. Two: read that Simon Cowell biography. Three: tweeted everything.

So, what have we learned? One: she loves Great Britain (yay!). Two: she finds Simon Cowell fascinating. Three: she went with her mum, quaffed G&Ts and took a photo of a monkey eating a banana. Add these pics and it's almost like we were there. Almost.

The FA's bombshell!

Pundits react to shock announcement!

➔ JUST DAYS ago, the FA blindsided everyone with the news that Roy Hodgson – not droopy dead cert and tabloids' favourite 'Arry Redknapp – was their England man. Here's what the Beeb's many pundits think of the appointment, told exclusively to *Nuts*.

Gabby Logan

"It will be interesting to see if Roy Hodgson decides to play very defensively, not the kind of attractive football that everyone thinks England ought to play. If England look tight and build from that – and they get solid results but it's unattractive – it'll be interesting to see how people perceive his progress through the Euro 2012 tournament."

Dan Walker

"I think it's a massively bold decision by the FA's David Bernstein because his reputation now rests on the guy he's chosen. He's chosen a guy who Uefa and Fifa like, who's respected more outside the country than inside and I think, why not? He's tactically right, he's technically good, he knows his stuff, he assesses things very carefully."

Manish Bhasin

"You'd like to think Hodgson will pick Oxlade-Chamberlain and actually use him just to get you excited again."

Chris Waddle

"He can only work with the players he's got. If those players aren't good enough you can organise teams to make them hard to beat, change tactics slightly, but if they're not good enough, it's not down to the manager. He can't go to the Euros and experiment. Who do you experiment with? Apart from Oxlade-Chamberlain, who is there?"

ROY'S NUTS AWARDS!

Nuts readers voted Roy Manager of the Year in both 2009 and 2010 while he was boss of Fulham!

Guy Mowbray

"The thing with Roy is he's tactically defensive and I think that's what we need – a little bit of organisation and hit teams on the break. Defensively and goalkeeper-wise we're sorted. You could pick your eight defenders easily as well as your three goalkeepers. It's the midfield and strikers. You know you're taking Rooney, so who starts the first two?"

Alan Hansen

"If you look at the line-up and the squad and you're struggling for out-and-out quality then the next best thing you can have is to be organised and I'm sure under Roy they'll be organised. You get them organised, you get the dressing room right, the team spirit right and they go and play and you just never know. Underdogs come through."

Mark Lawrenson

"This is the first tournament that England have little or no expectation of winning. That's partly because of what they've done in previous tournaments, partly because Wayne Rooney misses the first two games and partly because of the appointment of Roy Hodgson. I think it's a good thing. England might surprise one or two people."

David James

"Roy Hodgson looks at Prozone a lot, uses stats as a key indicator into picking players, as opposed to Harry's natural eye. In the past, Roy's dropped favoured players because they don't make the team move properly. The idea of it having to be Rooney up front might change according to stats and figures that he has at his disposal."

Robbie Savage

"He'll pick a solid, non-expansive, structured, disciplined team. He'll look to defend and not concede first and play on the counter attack. I think he'll use pace in wide areas. He's a fantastic manager. If you rub Liverpool off his CV, he'd have been the outstanding candidate. I don't know why we're all doom and gloom – it's ridiculous."

"I think my dog deserves a pay rise after this"

1 NEW MODES

Most interesting is the "Strike Force" mode - branching, complementary missions to the campaign where you flip between members of your squad to tanks, drones and mechs.

2 THE STORY WILL BE GREAT!

Its story comes from co-writer of *Batman Begins* and *The Dark Knight* David Goyer, and is centred around a second Cold War between China and the US.

10 reasons *Black Ops 2* is going to rock!

Call Of Duty "Blops" has gone all Modern Warfare!

THE MOST anticipated game of 2012 is more modern than *Modern Warfare*! Set in 2025 (with flashback missions in the '80s) it has the US facing China in a new Cold War. It's out on 13 November.

3 IT'S GOT HORSE COMBAT!

Not nags scrapping it out, but riding on a horse, shooting guns, during the missions based in the '80s. The developers motion-captured an actual horse!

4 YOU CAN SPECIALISE

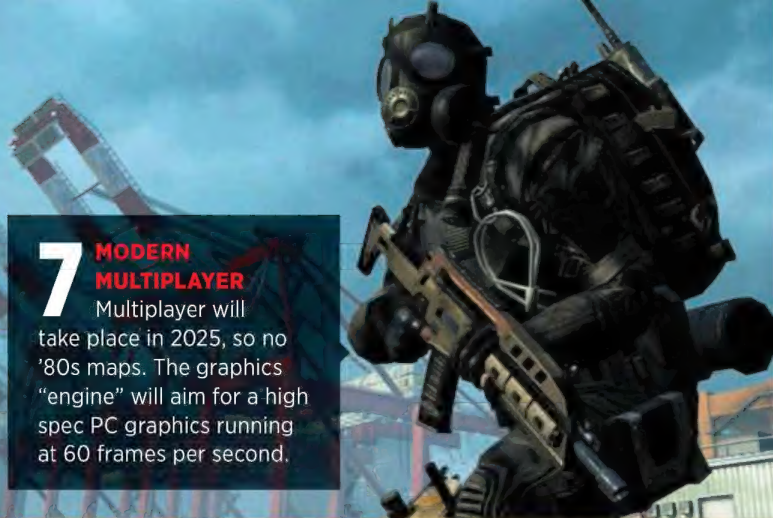

In one mission, you can rappel into the action from a helicopter to join your squad taking point, or cover them from the heavens with a sniper rifle.

5 THE CAMPAIGN MISSIONS VARY

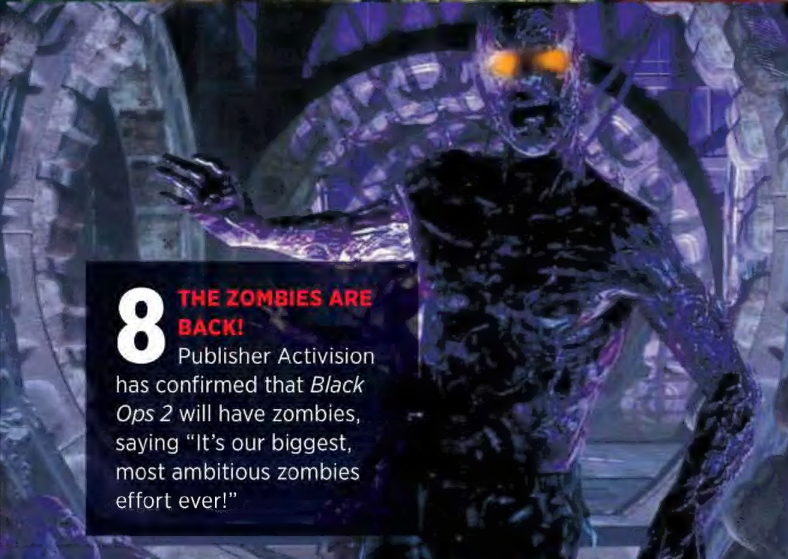

For the first time in a *COD* game, your decisions will impact the campaign story. So, branching story lines will alter depending on your choices.

6 DRONES ARE KEY
One of the missions has main villain Raul Menendez trying to kick off a war between the US and China by hacking into US military drones and provoking an attack on LA.

7 MODERN MULTIPLAYER
Multiplayer will take place in 2025, so no '80s maps. The graphics "engine" will aim for a high spec PC graphics running at 60 frames per second.

8 THE ZOMBIES ARE BACK!
Publisher Activision has confirmed that *Black Ops 2* will have zombies, saying "It's our biggest, most ambitious zombies effort ever!"

9 IT'S GOT FRIENDS, OLD AND NEW!
The modern sections will feature son of original main chap, Alex Mason. Mason Jr will be supported by '80s missions, featuring Frank Woods (*Black Ops*).

10 IT'S MODERN WARFARE! KINDA
The action's set eight years after *Modern Warfare 3* so we'll play with/against drones, mechs and automated armies.

A quick word with Sir Tom Jones

The *Voice* judge on chairs, pussycats, and chopping off Simon Cowell's penis!

Hi Sir Tom! We have some interesting facts about the chairs from *The Voice*. Guess how long one takes to rotate 180 degrees?

I know it does it pretty quick.

It's 3.5 seconds! Guess how many average house cats weigh the same as a chair.
Er, I have no idea.

Wrong. 120kg, the same as 26 average house cats. Fascinating, eh?
Twenty-six? They must be heavy bloody cats then!

Would you like one of those chairs at home? Are they comfortable?
No, they're a bit big for me, I'm happy to say.

Well, maybe they'll let you keep yours after the series has finished.
I don't know what will happen at the end of the series. Hopefully the show will go on for a while.

When you're watching the television at home, do you

find yourself missing Jessie J sitting on one side of the sofa and Danny from *The Script* on the other?
Er, no, not really.

Can you describe how you feel about getting one over Simon Cowell and beating *Britain's Got Talent* in the ratings?
The thing I'm pleased about more than anything else is coming across as we wanted it to. It seems like a very honest show. That's how we meant it. When I watch it, that's what I'm pleased about.

Would you be any good at judging a dancing dog like on *Britain's Got Talent*?
I wouldn't be very good. I'd rather judge singers than dancing dogs. I'm better qualified to judge singers. I've been a singer. I've never been a dancing dog.

You guest in the episode of *The Simpsons* where Marge goes to work in the power plant and Mr Burns has you kidnapped.
He feels that if he can kidnap me then it opens the door for him with Marge, which isn't too far-fetched.

Marge suggests they pump in Tom Jones music to motivate the staff. Should this be mandatory in all work places?
Yes. It does work. A woman came to see me who's a sergeant in Iraq. She said my music helped her through the day. So it does affect people.

Do you think *The Voice* would be more interesting if you had a Mr Burns-style button that you could press to open a trap door or release the hounds?
No. Ha! I wouldn't want to be that evil.

You've famously got an extremely loud voice. Are you ever annoying when you go to the cinema?
I was once asked to be quiet in the cinema, with my wife in LA. We were sitting near the back so we didn't think anyone could hear us. This fella got up from halfway down the cinema and walked up the aisle. I thought he was going to ask for an autograph. He said, "Do you think you could keep the noise down?" So I said, "WHAT?"

You know all those knickers women like to throw at you? Have you ever tried them on?
No.

Doesn't Mrs Jones mind you hogging all the space in her knicker draw?
No.

Fair enough. You used to be a mysterious brunette, now you're a silver fox. Have they run out of *Just For Men* at your local Boots?
I've moved onto the next stage of my life. I can laugh at myself, but I suddenly thought,

"It's not the tight trousers they're making fun of now, it's the dyed hair!" I look back at those bloody trousers and think, "Jesus!"

You know your song *What's New Pussycat*, do you think cats like it?
I don't think cats like anything. Cats walk alone.

Have you heard about a film that came out in 2009 called *A Bit Of Tom Jones*? Have a guess what it's about.
Um... that they think that they have my private part. But in actual fact it's a donkey's dangler.

Correct! Did they have to ask permission to portray your manhood on film?
I didn't give them permission. I didn't know it was out until I saw it.

Whose private bits do you wish had been cut off instead of yours? Simon Cowell's, by any chance?
Ha! No. Not his. I'm just glad it wasn't true so that I don't have to worry about it happening to me.

Finally, we want to tell you a joke. Doctor, Doctor, I feel like Tom Jones. Er, heard it before?
A lot. A fellow goes to the Doctor and goes, "Doctor, I can't get Tom Jones' *Green, Green Grass Of Home* off my mind." And the doctor says, "It's not unusual!"

● *The Voice*, BBC1, 6.10pm Saturday & 7.25pm Sunday.
Tom's new album, *Spirit In The Room* is out 21 May.

KEEPING UP WITH THE JONES!

Jessie J, Danny O'Donoghue and Will.i.am are Tom's coaching rivals in the search for a star.

Tom Jones facts

1 Between 1965 and 2000, Tom had 28 top 20 hits in the UK.

2 Tom was banned from the village of Fochriw in South Wales for 47 years for allegedly stealing a chicken.

3 Tom uses a swizzle stick to get rid of the bubbles in his champagne, something Elvis used to make fun of.

4 Tom's real name is Thomas John Woodward - his former manager Gordon Mills changed it.

5 Tom's first paid public performance was in 1958 at the Wood Road Non Political Club in Treforest. He played two sets of three songs each and earned £1.

The world's toughest 4x4!

Offensively rich? Paranoid of being killed? The Conquest Knight XV is the car for you!

- Canadian armoured vehicle specialist Conquest is responsible for the Knight XV (short for Xtreme Vehicle), a bullet and grenade-proof 4x4, for just £387k. It's unsubtle though, measuring 6m long – over a metre longer than the Hummer H2 – 2.5m tall and 2.5m wide, with a ground clearance of 14in.
- The Knight has the chassis and running gear of an American Ford F550 "Super Duty" truck and the 6.8 V10 engine can run on petrol or E85 ethanol.
- There's up to 362bhp, but the XV struggles to pass 100mph due to its huge mass (0-62mph takes 11 seconds). At just under six tonnes it's more than twice as heavy as the most generously optioned Range Rover.
- There are several reasons why it takes Conquest over 4,000 hours to build one of these. For starters, the body's totally custom handmade and tested to withstand bullets fired from five metres away.
- According to the brochure, "The bullets are fired electronically through a military quality barrel with the projectile then passing through a chronograph beam to ensure that it meets the requirements of the ballistic testing standards."
- To stop its occupants becoming perforated, the XV uses ballistic-quality alloys and hardened steels, together with shock absorbing ceramics.
- Also available is a front/rear thermal imaging camera for night driving without lights,
- a 360-degree roof-mounted search light, remote-controlled by joystick and 20in wheels made from aircraft grade 6061 aluminium with run-flat tyre system.
- Its four rear passengers get Wilton wool carpeting and suede headlining. Among the tickable upgrades is a siren and full outdoor PA system, a cigar humidor, oxygen-cabin survival kit and "under vehicle magnetic attachment [bomb] detector".

Now with two Bat-nippers, it was time to trade in the Batmobile

'We've caught Jaws!'

They needed a bigger boat, but it didn't matter!

GOOD NEWS: there's one less gigantic great

white shark to worry about! This six-metre monster, weighing almost 900kg, was hauled up by two Mexican fishermen in their net – luckily it had already carked it.

This left them with the slight problem of how to get an enormous great white back to shore when their boat was only two feet longer than the shark and powered by a 75hp outboard motor. The answer? Drag it back to the beach very slowly and then get 50 people to carry it out – 50 people all thinking, "I hope it isn't just having a nap."

'My foot was bent at a 90 degree angle!'

Horror tackle spells disaster for rugby coach!

THIS HORROR leg wouldn't look out of place in a

Jaws sequel, but what you're actually looking at is a horrific rugby injury belonging to part-time rugby coach Fraser Alexander-Bissett, which was caused by a crunching slide tackle from a student. "We were having a game, a student passed me the ball, then another student came and put his foot right through my leg," recalls Fraser, 28.

"I was lying on the floor when I looked down to see my leg was straight but my foot was bent 90 degrees to the right!"

The terrible tackle broke both Fraser's tibia and fibula

bones in his right leg leaving him with a metal rod. Oh, and not to mention a hearty chunk missing from his leg!

Fraser was taken to hospital, where his punished pin received 35 stitches and he was told he'd be out of action for at least six months.

Something tells us Fraser might want to coach from the stand from now on.

My acne scars are a curse!

When I was younger I had horrible acne. I'm in my twenties now but still feel self-conscious about the scarring it's left, so much so that I really don't have much of a social life, never mind a sex life. What should I do?

RICH Hull

Acne scars shouldn't stop you having a social life if you can get over the shyness left over from your adolescence, and women don't worry about scars when it comes to attraction. Join a sports team or hobby group and force yourself to talk to people. Then try a dating website or agency and make sure your photo shows the scars clearly.

How long do I wait?

I've been dating a girl for about a month now and we still haven't had sex. To be honest, she seems a bit frigid but I really like her and I'm prepared to be patient. How long do you think it's reasonable to make a chap wait though?

JACKIE Durham

As long as it takes if you like her enough and can be patient. Not every girl jumps into bed straight away, but you should be able to see some progress in intimacy to give you hope. Maybe she's had a bad experience? Test the waters from time to time by dipping a toe in.

dressing as famous Hollywood actresses and stuff which was great to begin with, but sometimes I'd like her to just be normal instead of putting on a big production. How can I tell her she doesn't need to dress up every time we have sex?

D via email

I don't think she feels she needs to dress up for you, she likes doing it for herself. Don't complain, after all, how many men can say they've slept with Marilyn Monroe, not to mention the modern starlets. If she dresses up as Angelina Jolie, will you let me know?

She needs a drink for sex!

After a night out with my lady we always end up having fantastic, wild sex if she's had a couple of drinks. The trouble is, when she's completely sober the sex is really boring. What should I do? I don't want her to be drunk every time we have sex!

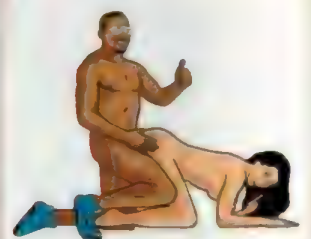

BUCKY Belfast

ATTACK OF THE UNBELIEVABLE

JEFF

SOCCKER SATURDAY'S MASTER OF CEREMONIES
TELLS NUTS ABOUT SWEARING, ANNOYING
PUNDITS AND THOMMO'S BIG NOSE!

STELLING!

Hi Jeff! The Premier League season ends this weekend. What's your favourite day on the football calendar?

The last day of the Premier League when teams are fighting to stay up is incredible. The bottom of the table last season was frantic. One minute Wigan were down, then Blackpool, then Wolves, then finally Birmingham. You could barely catch your breath.

Which Soccer Saturday pundit demands the most make-up?

Thommo! With his big nose, they have to get the scaffolding out to get the brushes on it. I also hear he now has a tint done on his hair.

Do you set pranks for each other?

I deliberately trip Merson up with tricky names so he has to say them. I'll say, "What do you think of Fulham's new Russian striker?" – meaning Pavel Pogrebnyak – then watch him panic when he has to pronounce the name.

How do you know so much about each team? Do you have a secret Statto helping you?

I get a lot of help but I do lots of my own research. I'll spend two days researching every game – from Premier League title deciders to the Conference and Scottish Leagues.

What's your favourite one-liner you've used on air?

There was a player called Gareth Jelleyman who played left-back for Mansfield Town. One game he

was sent off for dissent. I yelled, "Jelleyman's thrown a wobbly." I was so pleased with it, I named my first book after it.

What's been your most exciting moment on Soccer Saturday?

When goalkeeper Jimmy Glass scored to keep Carlisle in the football league. Scarborough were the other team relying on that result and their fans were on the pitch celebrating because they thought they were safe. Then – on a monitor in the studio – I could see this goalkeeper smashing the ball into the net. Unbelievable!

And your biggest on-air blooper?

When Hartlepool – my team – were playing away at Barnet. They'd been described as "the worst team Hartlepool have ever played". Barnet then scored with ten minutes to go and – thinking I was off camera – I let out a little swear. You didn't need to lip-read to guess what it was.

Which pundit gets on your nerves the most?

Charlie Nicholas with all his unnecessary whooping and cheering. Sometimes he'll be screaming about something and you look over and the ball has actually just trickled harmlessly wide for a goal-kick.

Who's your favourite player in the Premier League and why?

I'm a big fan of Luka Modric, but I also love players like Grant Holt who doesn't have

Five facts about Jeff!

● Jeff's first name is actually Robert.

● He once won a sports presenter version of *The Weakest Link*.

● He was offered the job to present BBC1's *Final Score* show in 2004, but turned it down.

● A team in Roath, Cardiff, changed their name to Roath Rovers after Jeff mispronounced the name of Scottish side Raith Rovers live on-air.

● Jeff has also appeared in *Mike Bassett: England Manager* and *The IT Crowd*.

that kind of skill, but has played in all the leagues and done it the hard way.

Do the pundits hide anything secret under their desks?

All of them have secret plates of nibbles – Le Tiss will have a polystyrene container of chips to munch on. He'll also always have his iPad under his desk to research his own stats – the only pundit who does!

Which pundits would fare best and worst on Countdown?

Le Tiss would fare the best – he's seriously smart and does sudoku puzzles in about five minutes. Merson would be hopeless. He hates saying Wigan's Jean Beausejour's name and so asked if could just call him "Gene". He hadn't realised Jean was pronounced the French way!

Which player's name do you dread having to say?

Diniyar Bilyaletdinov used to throw a few of the pundits, but once you get hold of it, it's fine.

Is everyone gobsmacked at what a natural Gary Neville is?

He's very insightful and funny, but he has such good knowledge of all the players as he was only recently still playing against them. ✕

Imitation is the funniest
form of flattery!

BAD BOURBON!

Something niggling tells us that these guys might be trying to rip off the Jack Daniel's brand.

PHONY SONY!

Hopefully you can buy popular football games like *Reefa 2012* and *Pro-Revolution Soccer*.

ROBO-RIP OFF!

They're charging a tenner for this! Where's the real RoboCop? There's daylight robbery in progress!

FLAKY BRANDING!

We'd like to say these guys are "head and shoulders" above the competition. They're really not, though.

CRAPPYCCINO!

If this is a fake version of the famous Seattle coffee giant, does that mean all their coffee's decaf?

TACKY MAC!

They're not even really trying with this one, are they? Not only is it shoddy, it's unpronounceable, too!

GIRGIO WHO?

We're not sure what would shock us most – the shoddiness of this, or the price of real Armani!

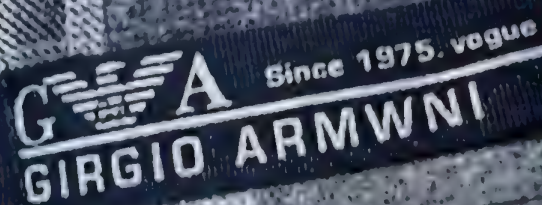

NIRE-DO-WELL!

The logo of this company should be "Just Don't Do It!" As in, "Please, Nike lawyers, just don't sue us!"

BURGER OFF!

The real crime here is that this joint is advertising a Burger King burger with McDonald's fries. Mad!

DODGY GUTS!

There's something familiar about this gentleman's periodical, but we just can't put our finger on it.

NO-FRILLS NOKIA!

We've seen some phony phones in our time, but these dodgy digits really take the mick!

FINGER LICKIN' BAD!

We suspect "good, original design skills" aren't in this company's secret blend of 11 herbs and spices!

CRUDDY CONVERSE!

Well, you'd really need added balls to pull off an imitation this brazen, wouldn't you?

PADDY DOHERTY

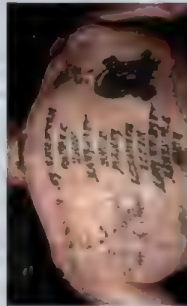

PADDY DOHERTY IN DOHERTY MYSCARS

The gypsy hardman and reality TV star gives *Nuts* a tour of his body...

SHOULDER

INJURY: broken, tendons ripped

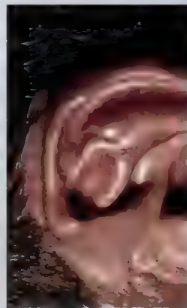

WHERE: family funeral, Ireland
"A gang of travellers came at me with hurley [similar to hockey] sticks after a feud and hit my shoulder so hard they smashed it. My arm was useless. I knew they were out to kill me. They chased me down the road until I found a bin. I pulled a bottle out of it to even things up a bit. It's the only time I've ever used a weapon."

EAR

INJURY: bitten off

WHERE: PC World, Manchester
"I was attacked by two men, one of whom bit my ear until it was hanging on by a bit of skin. As I was fighting I'd feel it slap against my neck. It didn't hurt but I could feel the blood. The blood never bothered me. It never has. They reattached the ear in hospital."

EYE

INJURY: left eye laceration from brow to forehead

WHERE: a Midlands pub
"I had a row with a countryman [non-traveller]. He bottled me. I had 20 stitches in my face. I found him the next day and we had a fair fight, the proper traveller way. I battered him, he ended up in hospital."

FOREHEAD

INJURY: bullet in the brain

WHERE: outside his caravan
"I got a bullet in the brain in 2003. It was a Monday morning. I heard a bang and hit the floor face first. I saw gunpowder fall out the hole in my head and burn a ring on the concrete. I felt like I was floating outside my body. I saw my wife over me crying, then blackness... I died. Next thing I know, I'm in the ambulance, jerking on a trolley as they restart my heart. My brains were running down my face and it felt like fire inside my skull. In A&E, they peeled my forehead back, cut open my skull and took the bullet out. I have no feeling in my head now. You can stub fags out on it! After four days in hospital, I discharged myself. I'd rather do my healing at home."

NOSE

INJURY: broken and dislocated

WHERE: traveller camp, Salford
"My nose has been broken many times, but in this case it was so bad I had to stop mid-fight to snap it back into shape so I could breathe. I used the inside of my thumbs to straighten it. No one taught me to do stuff like that, it just came naturally. I've been battered so badly before that even my own wife hasn't recognised me, but the swelling usually goes within four days."

LIP

INJURY: tooth through top lip

WHERE: car park, London

"I fought my cousin Johnny Coyle. We're like brothers, but our families wanted to see who was the best fighter. Neither of us wanted to hurt the other, but we had to honour our family names. The fight lasted 45 minutes. We were both severely busted up. At one point, Johnny hit me so hard my tooth came through my lip. He stopped to ask if I was OK. I pulled my tooth back through my lip and we carried on. There was so much blood pouring into my mouth, I was drinking it!"

JAW

INJURY: broken jaw on both sides, broken chin.

WHERE: traveller fight, Manchester

"I was hit across the mouth with a snooker cue on a Saturday night. The next morning, I was due to have a pre-arranged traveller fight. The cue must have weakened my jawbone because when I got hit, it shattered. I carried on fighting with my jaw flapping around. They had to piece it all back together with titanium plates. I have to have a special note when I go through airport scanners now because my jaw sets off the metal detectors."

GONADS

INJURY: crushed

WHERE: Hackney, East London

"I always liked fighting in confined spaces, making use of anything around me. I had one fight in a pub toilet. My opponent grabbed my b'llocks and wouldn't let go. I had to repeatedly smash his face into the urinal. With each blow I felt his grip loosen until eventually he lost consciousness. I was p'ssing blood for a week afterwards, though."

LEGS

INJURY: torn knee ligaments

WHERE: Scotland

"Traveller fights are almost always fair. Both fighters pick a man they respect who acts as a referee and once the fight is over, it's settled. But young travellers don't always respect the old ways. Arguments turn into feuds with guns and knives and even cars. I was run over several years after a fight, which I won fair and square. I was minding my own business when I got half a tonne of Audi in the back of the knees!"

HAND

INJURY: deformed knuckles, fused bones, sliced ligaments

WHERE: various locations

"Travellers fight bare-knuckle. Some use crepe bandages 'cos they're rough and can cut you, but there's no hand protection. My right's been broken so often the bones have fused. It's like a hammer. The scar across my palm is where someone slashed me with a cut-throat razor. I put my hand up to protect myself and it sliced through the ligaments. I needed 40 stitches and surgery."

LUNGS

INJURY: haemorrhage

WHERE: Manchester car park

"Some lads got out of hand in a friend's club and it spilled outside where this lump says to me, 'I'm warning you - I'm an Olympic wrestler!' I didn't have a clue what he meant. He lifted me up and repeatedly slammed me down until I was coughing up blood. If I hadn't bitten off his finger, I could have been seriously hurt!"

Who is he?

1. Legendary in traveller circles, Paddy is also respected by many gangsters.
2. He found fame when he was featured in *Danny Dyer's Deadliest Men*.
3. After appearing on the *Big Fat Gypsy Weddings* documentaries, Paddy appeared on and went on to win *Celebrity Big Brother*.

Paddy Doherty: *Hard Knocks* & *Soft Spots* is published by Ebury and released on 10 May

ROSIE JONES PRESENTS...

56 very rude pics!

Rosie gets naughty with Arabella
to unveil some truly saucy snaps!

Hello Rosie! What was the last really rude pic you saw? Hello! Probably one I did from this shoot.

Generally, how rude are you?

I'm getting ruder as I get older. I forget who I'm around and say really rude things.

Where do you stand on the issue of sex tapes?

I think if you're a celebrity, don't even go there. Otherwise if you're going to do it, watch it then delete, delete, delete!

What about posting naughty snaps on Twitter?

I do post pictures from shoots sometimes but I wouldn't if I wasn't a model.

Weren't you banned from Twitter recently?

I was, but I'm not sure why. I think my profile picture was too much for them... prudes!

If our readers wanted to try something different in the bedroom, how should they approach it with their lady?

Just tell her what you want and I'm sure if you'd like it, she'll be happy to oblige.

Have you ever spanked somebody?

I spanked Arabella on this shoot actually. I like being the dominant one!

What's the rudest movie you've ever seen?

Me and Emma Glover and some other girls were staying in the London for work so we ordered loads of rude porn.

What's your favourite sex scene from a film?

I think *Black Swan*'s very sexy – I'm in love with Mila Kunis.

Thanks, Rosie! Finally, who's the naughtiest model?

I love Leah Francis for her naughtiness. Kelly Hall's pretty naughty – she rubs her boobs on me every time she sees me!

"I think *Black Swan*'s very sexy – I'm in love with Mila Kunis!"

"I knew this Facebook party would get out of hand!"

THE WALKING DEAD

Mac, PC

Episodic adventure that's more sidebar to the TV show than the game of it, this tells the tale of Lee, a man on his way to

prison in the back of a police car. This soon changes, with the zombie outbreak jollying the action along. More "interactive story" than adventure game, it's talky, but when zombies arrive, it gets challenging, claustrophobic and fun. ★★★★★

CONFESSION OF THE WEEK!

'We gave him a peep show'

FOR MY friend's hen do, we had to dress as sexy schoolgirls. I made my chap Mike come with me to Ann Summers to get my outfit, where we bumped into my friend Sophie. She's a wild party girl who I've had many laughs with, and we decided to give Mike a peep show. He looked through the door while Sophie started kissing me. We soon had our bras off and she was sucking on my nipples. A shop assistant was coming so Mike had to shut the curtain and just listen to us. We left, giggling, and my man was left speechless.

Rosie via email

'My naughty DJ session'

I WAS in a club in Leicester on my 21st. My friend told the DJ it was my birthday so he called me to his decks. When I got there, he showed me

how to spin for a while. He was a real hunk and we flirted heavily. I dropped my phone on the floor and as I went down to pick it up I felt him push his bulge up against me from behind. So I rubbed his jeans and he gave me a cheeky grin. I stayed crouching behind the decks and unzipped him,

taking his manhood in my mouth. I was down there for about ten minutes while the club rocked. When I confessed to my friends later what I'd done, they were shocked!

Gemma Leicester

'A helicopter saw us at it'

I'D GONE for a romantic trip with my boyfriend to the Lake District. We'd been together a while and I wanted to spice things up a bit, however what happened wasn't what I'd planned at all! It was a sunny day so we went for a picnic up on a beautiful hill, and we took a kite. My boyfriend tried to play with the kite but the wind wasn't strong enough so he quickly became bored – seeing me in a short, low-cut dress, he decided he'd rather play with me instead. There was no one around so we ripped our clothes off and I took his penis in my hands and stroked him until I could feel he was rock solid. He then played with my boobs, sucking and gently nibbling on my nipples, while stroking my clit with his hands until I was ready for him. We were going at it hard and fast, totally caught up in the moment until we heard and saw a very low-flying helicopter full of people overhead! We tried to hide ourselves under the picnic blanket but it was too late.

Emily London

'We did it in the shop!'

MY BOYFRIEND and I were in a clothes shop and I saw this really nice dress I wanted to try on. After I'd put it on, I called my boyfriend into the changing room to ask if it looked nice on me. He asked me to turn round so he could check out my bum and as I did, he bent me over so I was facing the curtain covering our cubicle and holding it at each side to stop people from seeing in. While we were in that position, he did me from behind and came inside me very soon. I'm sure all the other people in the changing room knew what was going on due to the moaning and groaning! When we were done, I went and paid for the dress. Now every time I wear it, we can't keep our hands off each other.

10 RUDE QUESTIONS!

And a real girl to answer them!

Tina

22 London

1 Where's the strangest place you've had sex?

"In a cemetery! It was pitch black and really creepy. I was really scared but that just made it even more exciting. It was the best sex I've ever had!"

2 What's your trademark move in the bedroom?

"Ha-ha! Is it too rude to say I'm a bit of a squirter?"

3 What really turns you on?

"I like sex in front of a mirror. I love watching myself having sex!"

4 What's your favourite position?

"I like it bent over in the shower – it makes me come in seconds!"

5 Is it better to give or receive?

"A bit of both... like Hovis!"

6 What one thing would you really like to try but haven't yet?

"I'd really love to join the mile-high club. I tried it with a boyfriend once, but we got caught in the act. I was so embarrassed, and it was on a bloody Ryanair flight as well!"

7 Ever got it on with another girl?

"I'm bisexual, so yes, quite a few, actually!"

8 What's your favourite role-play outfit?

"I know everyone probably says this, but it has to be the all-time classic cheerleader. It just feels naughty!"

9 Have you ever made a sex tape?

"Yes – my phone is absolutely full of them!"

10 What's the single rudest thing you've ever done?

"I gave a man a hand job under the table at a family birthday party!"

"I tried to join the mile-high club but got caught in the act!"

Nuts SPORT

**ROY'S
NATIONAL
SERVICE!**

New England boss Roy's also managed UAE, Switzerland and Finland.

Is Roy right for England?

Nuts legends Kammy and Merse on the Three Lions' new manager!

ROY HODGSON is the new man in charge of the England national team, beating Spurs boss Harry Redknapp to the job and signing a four-year contract that will take the 64-year-old to Euro 2016 in France. But is he the right man for the job? We spoke to *Nuts* legends Chris Kamara and Paul Merson to find out what they make of the appointment.

YES!

LOADS OF EXPERIENCE!

"Roy's an outstanding coach with loads of experience in club and international football. He can pick up the reins very quickly."

HE WON'T COST A FORTUNE!

"He won't cost the FA an arm and a leg. They paid Fabio Capello a stupid amount of money and are still suffering because of it."

HE'S PASSIONATE ABOUT ENGLAND!

"Roy loves his country and is a great motivator and coach. He'll demand the best from his players. Everyone should get behind him."

HE WILL INVEST IN YOUTH!

"Roy will manage the coaching setup at the National Football Centre and make sure youth is key. This is crucial for the future."

NO!

HIS CONTRACT IS TOO LONG!

"A four-year contract is ridiculous! What happens if he fails at the Euros? If he does, he's around for another two tournaments."

IT SHOULD HAVE BEEN REDKNAPP!

"Roy's a great coach but the country and players wanted Harry Redknapp. I can't understand how the FA have made their decision."

HE'S FAILED AT A BIG CLUB!

"Roy's in the same position as he was at Liverpool – no one really wanted him at Anfield, especially the fans, and look what happened."

THE PRESS ARE ALREADY AGAINST HIM!

"The papers wanted Harry so he would've had time. If Roy starts badly, the media will be on his back. He has to win from the start."

Good luck tweets from the stars!

Chris Brunt

@chrisbrunt11

"Congratulations to Roy Hodgson, he will do a good job for England, like he has done for us over last 18 months. Great coach and a good man."

Jack Wilshere

@JackWilshere

"Good choice in my opinion. Good luck and I hope I can help him in some way in the future."

Ben Foster

@BenFoster

"Really happy for Roy Hodgson. Got to be one of the best coaches in football."

Gary Lineker

@GaryLineker

"Roy Hodgson's a wily old fox with bags of experience at all levels of the game. Tactically may bring out the best in England at the Euros."

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Steady! I've got an opened packet of jelly babies in my pocket!"

"Whoa! who put itching powder in my shorts?"

Magic Mourinho does it again!

It would be great to see Jose back in the Premier League!

➔ **JOSE MOURINHO** is an incredible manager – his Real Madrid side lifted the La Liga title last week and did something I thought was impossible – topple Barca!

That makes it seven championships for Jose, in four different countries. He really does have a magic

touch when it comes to lifting trophies. His old side Chelsea are still sniffing around the Portuguese boss and it's easy to see why.

A lot will depend on how the Blues do in the Champions League final. If they win, Roberto Di Matteo must be favourite for the job. But if not, I can see

Roman Abramovich putting in a call to Spain.

Chelsea's Russian owner has made up with Jose since he sacked him in 2007 and we all know he has unfinished business to attend to in England. It'd be great to see him back – press conferences haven't been the same since he left!

Papiss is just perfect for Newcastle!

WHAT A signing striker Papiss Cisse has turned out to be for Newcastle. They can't have thought he would've made such an impact since his £9m move in January.

His goals against Chelsea were amazing, especially the second – if he'd whacked the ball into row Z, he would have got some real stick from his team-mates, but it went in.

The Senegalese striker seems to take it all in his stride – he's so nonchalant. There will be some big clubs looking at him and thinking how they missed out on such a fantastic goal-scorer. I can't wait to see what he does next!

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

UNBELIEVABLY GOOD!

MASTER HESS!!

Another week, another record. This time the little genius beat Gerd Müller's 39-year-old European record of 67 goals in one season after scoring his ninth hat-trick. Unbelievable!

UNBELIEVABLY BAD!

RAGING ROSSI!!

Fiorerina sacked their manager Dello Rossi after he attacked one of his own players. Bosses may have got away with it in Brian Clough's day, but not now!

Don't come back, Fabio!

I SEE former England manager Fabio Capello wants a return to English football to manage a Premier League side. Is he having a laugh? I really can't see the Italian being welcomed back to this country after he walked out on England. Stay away, Fabio – you're not wanted here.

"Two pointy ears, says 'meow' a lot. Colour? Black and white"

THE BIG MATCH!

"Get lost, Robin – I'm pretending I'm a speed-skater!"

West Brom vs Arsenal

13 MAY, 3PM

This should be an absolutely cracking match. The Baggies will want to give new England manager Roy Hodgson a huge send off after an excellent season, while Arsenal will be hoping for a result to secure third place and Champions League football for next season.

KAMMY'S PREDICTION: 2-2

Key man

Ben Foster has a big chance to stake a claim in the England squad for the Euros now Uncle Roy's in charge. Expect him to be on top form.

Bolton man
Fabrice Muamba
meets Kammy

Miracle man Muamba's a real gent!

I MET Fabrice Muamba last week at the Football Writers' Association dinner and what an amazing chap he is. The Bolton man was a gent and it'll be great to see him back in action. He's even promised to come on Goals On Sunday!

When boxers get bashed!

We rate the ring's most painful punches!

➔ **YOU MAY** not have heard of light heavyweight boxer Tony Pietrantonio, and until last week neither had *Nuts*, but then we saw his face-mashing at the hands of Lavarn Harvell and it made us wince like little girls. Since then, we've been looking for the most painful punches in boxing, and here they are.

LAVARN HARVELL VS TONY PIETRANTONIO

Pietrantonio only lasted three rounds, and it's easy to see why! A life as a Quasimodo lookalike surely beckons.

OUCH RATING 🍷🍷🍷🍷🍷

ERISLANDY LARA VS PAUL WILLIAMS

Paul "The Punisher" somehow won on points, despite taking this pasting – all three judges have since been suspended!

OUCH RATING 🍷🍷🍷🍷🍷

The wind had made a sudden change

Skrstel would be sticking to football in future

KELL BROOK VS LUIS GALARZA

Poor Luis looks like he's been trapped in a wind tunnel of pain during this crushing defeat to Kell Brook.

OUCH RATING 🍷🍷🍷🍷🍷

CHRIS KEANE VS REMIGIJUS ZIAUSYS

Ziausys' face seems to implode after this nose-breaker from Britain's Chris Keane. Oh, and he lost, too!

OUCH RATING 🍷🍷🍷🍷🍷

YOAN PABLO HERNANDEZ VS STEVE CUNNINGHAM

Amazingly, Steve "USS" Cunningham didn't "sink" to the canvas after this fierce face-smasher from Hernandez.

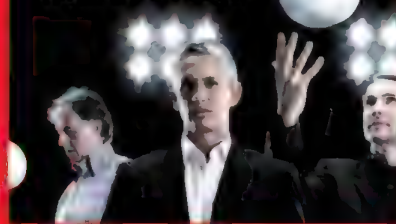

OUCH RATING 🍷🍷🍷🍷🍷

"Quote me on that!"

This week's biggest match debaters!

"Wigan shone like spaniels"

Gary Lineker thinks Wigan are the dog's.

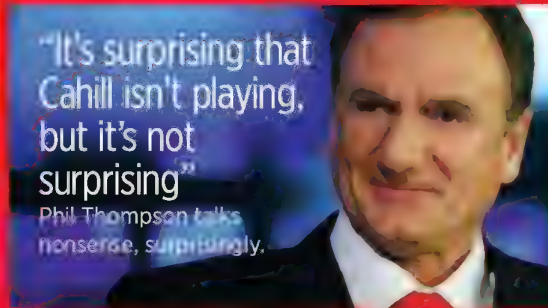

"I am not arrogant but I am the best manager in the league"

Paolo Di Canio not sounding at all arrogant.

"It's surprising that Cahill isn't playing, but it's not surprising"

Phil Thompson talks nonsense, surprisingly.

"Bale had Angel Rangel in a tangle"

Jeff Stelling's bid for Poetry Corner.

OO-ER SOUNDS A BIT RUDE CORNER!

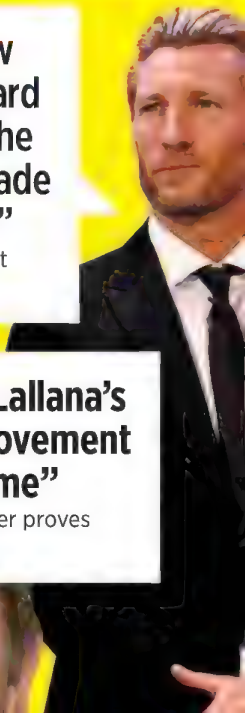

"I think we'll see Roberto Mancini pull a few off"

Ray Wilkins on the very handy Man City boss.

"I'm one of very few people who has heard Gary Neville make the kind of sound he made when Torres scored"

Robbie Savage really shouldn't be admitting that.

"Adam Lallana's body movement excites me"

Matt Le Tissier proves he's no saint.

"The bells!
The bells!"

"Kiss my glove.
Kiss it!"

"Hey! I thought
we agreed
not the face!"

Paul Scholes:

The Hall of Shame!

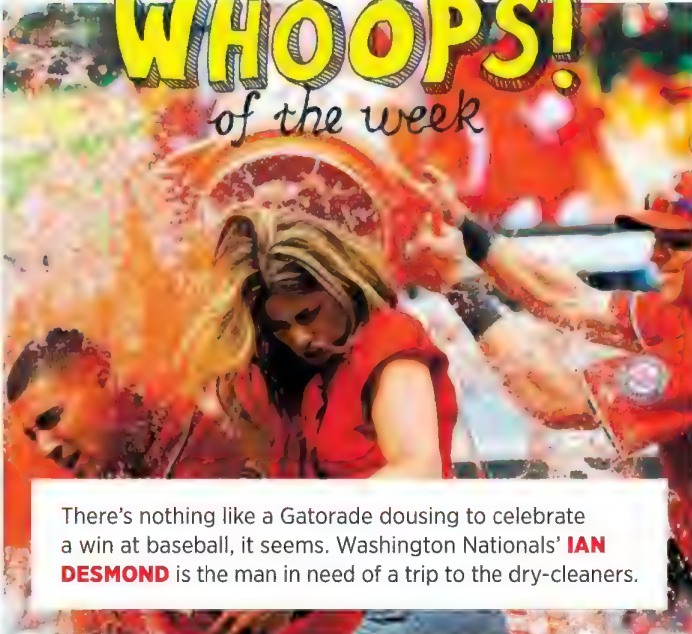

We thought **RAFA NADAL** was a real muscleman, but he can barely lift this (admittedly massive) trophy. Perhaps he should give the Barcelona Open a miss?
